## **New Club Clothing**

We now have a full set of club clothing with the ZOTI logo. Not only do we have ladies and men's shirts, we have fully waterproof rain jackets, suitable for men and women, and shower proof jackets, at a lower price. In addition, we have a number of V-neck shirts, originally ordered for the ladies, but rejected as having too little head space. These have been found to be ideal for the colts.
