The four teams in each division will play each team once, for three games per team.

Pedlow Trophy (Australian) Pairs is a lawn bowls format where each team has two players who alternate between the roles of "Lead" and "Skip" each end. The Lead bowls two bowls first, followed by the Skip bowling four, and then the Lead finishes the end with their remaining two bowls. The roles are reversed on the next end, with the Skip bowling first. This alternating pattern continues throughout the game.

The match will consist of 15 ends. A coin toss will determine who has the first mat. The winning team will get two points while the losing team gets zero. A tie at the end of the match gives both teams one point.

The matches must be completed by Thursday, 28 August. Any matches not played by then will receive zero points for the teams. The top team in each division will progress to the final.
